## Spring Recital

The Spring Recital is scheduled for Friday, June 19, 2009. The dress rehearsal is Thursday, June 18, 2009. Please mark these dates on your calendar. Both the recital and dress rehearsal will be at Bingham High School.

## Backstage Help

The Spring Recital will be separated into lower school and upper school performances centered on a circus theme. I will need helpers to stay backstage and keep order during the performances. All dancers in the upper school will need to stay backstage during the entire performance. The dancers in the lower school will stay with their parents. They will need to be brought backstage three dance numbers before they go on. If you would like to help or know of someone who would like to be a backstage helper, please contact Angela at the front desk.

## South Pointe Ballet

*Sleeping Beauty* was a great success. All three performances were terrific. We had the biggest audience we have ever had. It was wonderful to have so many men help, and the dancers were very professional and did a fantastic job. Congratulations on a great performance!

## Dance Competitions

Elite and Senior Jazz companies have just completed their first competition of the year. They will both be competing again on April 4 at Kearns High along with the Hip Hop class. We wish them luck on their performances and look forward to the next competition on April 18 in Clearfield. **All competition fees are now past due. If you have not paid your competition fees, please pay ASAP. If you are unsure of the amount, please contact Angela at the front desk.**

## Vandalism at the Studio

We have had some vandalism at the studio. Dance floors have been drawn on, paint marred and most recently someone decided to paint the bathroom with red paint one week, white paint the next week, and with soap this past week. We now have monitors helping to protect the bathrooms and empty classrooms. We have a very nice studio, and many people have helped to make it that way. It costs time and money to repair damage. We don't want to have to raise prices for dance classes to make up for the careless and destructive actions of a few. When you are in the studio, please watch your children. If you see something that shouldn't be happening, please inform Angela or one of the other teachers right away. If we all watch, we can keep our studio beautiful.
