September 7 – Fall classes begin

Performing Team Auditions

Building upon the success of past years, we will be having Performing Teams again at C & C Ballet Academy. These teams are an amazing opportunity for your dancers to take their techniques and skills to a new level. Students on Performing Teams will have an additional hour of class each week to focus solely on choreography, which puts their technique and skill into practice; therefore helping them develop increased style and enhanced performance quality. Auditions for the Performing Teams will be held Wednesday, July 28th from 7:00-8:00 pm at the studio. There is a \$5 audition fee. Any student ten years of age or older is invited to audition. As part of a Performing Team, students will be required to take both a jazz class and a ballet class in conjunction with the hour of choreography. The monthly tuition for the performing team is only \$10. The only additional cost besides the monthly tuition will be costume fees, which we will keep as minimal as possible. Scheduled performances for next year include the Scarecrow Festival, the Festival of Trees, and the Safe Kids Fair to name a few. We also hope to perform at various competitions and workshops. Please consider this incredible opportunity for your dancer. We truly feel that these teams will be worth the extra time and money as your child grows and develops from this great program.

Classes Filling Up!

It's time to register for fall classes. There are many classes that are already nearly full, so if you want a certain class, you need to get your forms in quickly. As of today, Level 1, Pre-Ballet B, Creative A1, and Creative A4 are already nearly full.

Summer Workshops

Summer Workshops are available for those who really want to improve their dance skills. Workshops are by audition only as they are very intense dance workshops. Students will experience many dance styles, including ballet, jazz, tap, modern, hip hop, and character. We have guest teachers throughout the workshops. A detailed schedule of our offerings for this summer is attached as page 2. If you are unfamiliar with some of the names of our guest teachers, please Google them for more information. Some work with Ballet West and all are highly respected in the industry.

New Payment Policies

Because of an increase in credit card fees, this year there will be an additional \$4.00 charge to all credit card payments. If payments are done by direct withdrawal out of checking accounts, there will be a \$2.00 discount. If you would like to pay by credit card, we need to have an e-mail address since all receipts will be sent out by e-mail. To set up the direct withdrawal, please bring a voided check and plan to fill out the direct withdrawal paperwork on the first day of class.

Recital Video

The Spring Recital was taped by Dan Curtis Productions and will soon be available. The show will come in a 2 DVD set for \$25.00. Pre order is required. To order your copy, fill out the form below and return in to the front desk.
