All dancers need to arrive in costume/makeup, 30 minutes before the scheduled performance time. Children in the lower school performance will be sitting with their families in the auditorium during the performance. These dancers need to be brought to the backstage area in groups of 10 dance numbers. Dancers who are in the upper school performance will be in a room off of the backstage area. Costume changes will take place in the dressing room. Upper school dancers will not be allowed in the auditorium after their dances; they will need to wait in the room until the entire performance is over.
