
C & C NEWS

January 2008

Important Dates

- January 7 – Classes Resume
- June 12 – Dress Rehearsal At Taylorsville High
- June 13 – Spring Performance at Taylorsville High
- June 15-20 – Exam Preparation
- June 23-25 – Ballet and Jazz Exams

Spring Recital

The spring recital is scheduled for Friday, June 13, 2008, with the dress rehearsal on Thursday, June 12. Please mark these dates on your calendar. Both the recital and the dress rehearsal will be at Taylorsville High School.

Ballet and Jazz Exams

Ballet and Jazz exams are held annually after the recital for the following upper school classes:

Pre Ballet	Level 1	Level 2
Level 3	Level 4	Level 5
Company Ballet	Teen Ballet	Beginning Jazz
Intermediate Jazz	Jr. Company	Elite Company
Teen Jazz		

Regular classes will be held the week after the recital to prepare, then the following week each class will have a scheduled time for exams. It is an important part of each student's dance training to participate in the exam process. Please make the necessary arrangements to continue dance class attendance through the end of June.

South Pointe Ballet

South Pointe Ballet is preparing for a new production of *Swan Lake*. This will be the first time South Pointe Ballet will put on the full production of this classical ballet. We look forward to a very successful performance and invite all to come and see the growth of our company.

Snow Days

With the bad weather here, we need to be aware of snow days. When road conditions are not safe to travel, we will cancel classes. Please call the studio if you think it might be a snow day. There will be a message on the phone letting you know if classes are cancelled. We want everyone to be safe while traveling. Make up classes will be scheduled for snow days at a later time

Lost and Found

Our lost and found is overflowing! There are coats, jackets, shoes and miscellaneous items that have been left at the studio. If you are missing anything, please check the lost and found before January 15 when everything will be taken to Deseret Industries.
