## Ballet and Jazz Exams

Ballet and Jazz exams are held annually after the recital. Listed below are all upper school classes that are involved in exams.

Regular classes will be held the week after the recital to prepare for exams. During the week of exams each class will have a scheduled time. It is an important part of each student's dance training to participate in the exam process. Please make the necessary arrangements to attend.

## South Pointe Ballet

The South Pointe Ballet performance of Coppelia was terrific! Each performance went very well and we had great attendance at this year's ballet. I would like to thank all of our parents who helped this year to make this performance the best we have ever had. The growth of the students and the opportunity to perform a ballet in such a setting is a very valuable experience. Thanks you to all those who made it possible.

## Dance Competitions

The performing teams are now preparing to attend competitions. Our first competition is April 9-10 in St. George. In the past we have made arrangements for those interested in staying together. Others stayed with people they knew or made their own arrangements. We will be handing out information on the hotel with the competition information this week. If you would like a reservation, please let Angela know so arrangements can be made.

We are opening the May 8 competition up to classes at the studio. Teachers will be letting their classes know if they will be attending the May 8 competition.

## Accounts Due

We have noticed that there are quite a few students with overdue accounts. If you don't know the status of your account, please talk to Angela at the desk. We will be sending out notices over the next couple of weeks. We would like to have all accounts brought up to date by April 1. Thank you for your cooperation.
