

Dear Parents and Students:

I have created a recital packet this year for each student. This packet contains the information you will need for the spring recital, exams, summer program, and registration for next year. Please read through this information and if you have any questions, feel free to contact me at 801-254-0112.

RECITAL

The recital will be divided into a lower and an upper school performance. Children in the lower school will sit with parents in the auditorium and be brought backstage 3 dance numbers before they go on. Doors to the auditorium will be closed during dance numbers and will be opened between dance numbers. Please do not leave the auditorium in the middle of a number!

All dancers in the upper school performance will be in a holding room during the entire performance. Dancers in the upper school performance will not be allowed in the auditorium during the recital. Having this policy during the performance will help to create a professional atmosphere and teach our dancers proper etiquette for the theatre. Classes participating in each of the performances are listed below.

EXAMS

Exams will be held the week of June 29 – July 2. Exams are held for the classes listed below. Class exams are an important part of your child’s dance training. It enables the students to work for a certain standard. It is also necessary to make sure that your child is placed in the proper class for the next year. Please arrange your schedules to allow your student to participate in the exam process. For those taking exams, classes will continue for the week of June 22 – 26. This should allow students adequate time to prepare for exams the following week.

SUMMER PROGRAM

Our Summer Program will run July 27 – August 20. This is a great opportunity to advance your dance training. Those who are eligible for the workshops will find that their progress in dance is increased by the summer classes. Placement in fall programs will be affected by participation in the summer programs. Dancers may not be placed in Company classes if they do not participate in the summer programs. Classes are smaller in the summer so it is a great opportunity to try another style of dance to see if you would like something new.
