September 2008

## Welcome Back!

I hope everyone had a great summer. C & C had a very intense summer. We have moved to the new building just in time to start the fall classes. Improvements to the building will be continuing throughout the month as we prepare the building for classes. Our summer session was at the old location, but it was a great success. It was fun to watch the morning workshop dancers learn the basics of partnering with Carlo Sierras. The improvement of all the dancers was tremendous. With such a terrific summer we are all very excited to start the fall classes. Parents, you will receive a newsletter every month with important information. If you lose your copy of the newsletter, you can get the information on the web at [www.candcballet.com](http://www.candcballet.com).

## Parking Lot

There are 2 entrances to the parking lot at the studio. Parents, please enter the lot on the South entrance and exit the lot on the North entrance. If we have a continuous flow, the traffic should move smoothly through the area. Please be aware that there are other businesses working with children in the area and there will be many children in the parking lot. Watch out for the children!

## Nutcracker Auditions

Ballet West's *Nutcracker* Auditions are on Saturday, September 6, 2008. All dancers need to pre-register to audition. Registration dates are Wednesday, September 3 and Thursday, September 4 from 4 to 7 p.m. at Bryant Intermediate School (40 South 800 East). The audition fee is \$10.00. All dancers are eligible to audition if they are 8 years old by September 1, 2008.

## Payment Options

C & C will now offer an automatic debit option for your monthly tuition payments. If you are interested in this payment method, talk to Angela to get it started. We will also be able to accept Visa and Mastercard for tuition and costume payments.

## Adult Classes

If there is interest, we will start a tap class in the evenings. Come and see what all the fun is about. Feel great, get a workout, get into shape, and have fun at the same time!

## School Policies

Tuition is due the first class of each month. Tuition received after the 10<sup>th</sup> of the month will receive a \$10.00 late fee. Dress codes will be enforced. No skirts or shorts will be allowed in the ballet classes. Hair must be pulled up in a bun. If you come prepared to dance, your class will be much more effective. Students in jazz classes need to come in dance clothing with a leotard, dance pants, and the proper shoes. Students in tap classes need to come in dance clothing and tap shoes. Please help your student be prepared for class each week.

## Studio Fees

There is a \$25.00 performance fee that is due each dance year. This fee covers the cost of the performances. The costume fees cover the cost of the costumes. All of these fees are due by October 31, 2008. The \$15.00 registration fee is due at the time of registration.
